**Don't forget to buy Father Vlad's book Life Squared!**

As I approached my 80th birthday, I wanted to find out what I really thought about life. Writing this book has crystallised my experiences. I now know better what I have learned and what I think.

Now, that I'm coming to the end of my life, I have finally learned how to live. Time's slippage nudged me to act on my dream of passing what I have learned on to others.
