Newsletter nr 31 - 30th June 2024

"From Paris, where staying with my sister, I am working on my next booklet " Gathering Hope, confessions of a hopeful spirit" as this splendid city is preparing itself for the Olympic and Paralympic Games. May you compete with yourself until you become the best possible version of yourself. I live in hope I will get there before my own birth into divine eternity."

Fr Vlad Felzmann was born in Prague in 1939 and came to London at the end of World War II. He studied Civil Engineering at Imperial College London and received his Doctorate in Divinity (summa cum laude) from the Lateran University in Rome.

Vlad has led retreats, lectured and spiritually guided people ever since his priestly ordination in 1969. He speaks English, Czech, and still a bit of Spanish, Italian, French and used to speak Latin. He enjoys friendship, prayer and writing. He keeps as fit as possible and does press-ups - alternating this with squats - daily to the total of each year of his life since conception.

He was director of the Diocese of Westminster's work with Young People and Canary Wharf Multifaith Chaplaincy Catholic Chaplain. For many years he was a Trustee of The Passage and is the Catholic Chaplain for Sport, founder of the John Paul II Foundation for Sport (which he launched in 2011), chair of CaAPA, and trustee emeritus of Genesis. A social entrepreneur, Vlad founded and directed two different Diocesan Pilgrimages - YAP for young people and WOP for all - to Lourdes and founded the Spiritual Peer Educational Centres SPEC, LOFT and SPECeast.

Don't forget to buy Father Vlad's book Life Squared!

As I approached my 80th birthday, I wanted to find out what I really thought about life.

Writing this book has crystallised my experiences. I now know better what I have learned and what I think.

Now, that I'm coming to the end of my life, I have finally learned how to live. Time's slippage nudged me to act on my dream of passing what I have learned on to others.
